CUSD STAFF REPORTS:

District Updates

Jeff Bowman informed the committee about the CUSD Budget Roadshow, which is happening for all 25 school sites. This presentation informs the parent community about the district budget and mentions the significance of a bond in the overall understanding of district funding.

The Board recently approved another bond refinance on September 10th to help save the community money on outstanding bonds. The refinance could provide a potential savings of \$3-5M.

Modernization

Todd Shimada summarized the current and future modernization projects:

- Blue Hills will upgrade their open classroom style into individual classrooms with the flexibility to have walls that open into an open space with accordion-type walls. Construction to begin the summer of 2021.
- Collins - ADA upgrades; signage upgrades coming next
- Eaton - fire alarm and PA system upgrade
- Lawson - renovation of student restrooms and a refresh of the staff lounge
- Murdock-Portal - the addition of a shade structure in the kindergarten area and lunch table area improvements along with a new playground for upper grades. These projects are completed.

Per committee request: District updated the committee on the expenditure breakdown of SB50 along with details, and a discussion was held.
